## Thoughts From our Pastor Rev. George O. Omwando

Dear Brothers and Sisters in Christ,

This Sunday we celebrate the Solemnity of Pentecost. Today is the day when the Church was born or we can say it is the “the birthday of the Church.” This day became especially significant for Christians because, seven weeks after the Resurrection of Jesus, and during the Jewish celebration of *Shavuot/Pentecost*, the Holy Spirit was poured out upon Christ’s first followers. This empowered them to be ready for the mission of evangelization by gathering them together after the Ascension of Christ as a Church ready to go out. *Shavuot* is a Jewish festival that commemorates the anniversary of the day when God gave the Torah or the Ten Commandments to the entire nation of Israel while assembled at Mount Sinai. The word “*Pentecost*” means fifty, and the number “fifty” points to fullness, to ripeness, and to a time that is ready for something to happen. The Book of Acts tells us that on the day of “Pentecost,” “all the Apostles of Christ except Judas Iscariot who had already betrayed Jesus were in one place and suddenly there came from the sky a noise like a strong driving wind, that filled the entire house in which they were...and they were all filled with the Holy Spirit and began to speak in different tongues, as the spirit enabled them to proclaim.” (*Acts 1:1ff*).

The miracle that happened on this day was not in the speaking of tongues but in the understanding of what the Apostles were actually speaking. Before Jesus went back to his Father in heaven, he had instructed the Apostles to preach the Gospel to all corners of the world, and at the same time promised that he was going to send them the “spirit of truth” or “the Advocate” who would bear witness to their preaching, healing and teaching as we read in the Scriptures: “But when he, the Spirit of truth, comes, he will guide you into all the truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come” (*John 16:3*). In their ability to speak different languages, the Apostles were ready to bring the message of Christ to the world under the guidance of the Holy Spirit.

Pentecost presents us with an opportunity to consider how we are living as Christians each day of our lives. We need to continually ask ourselves over and over whether we are relying on the power of God’s Spirit, or whether we are open to becoming instruments or channels for the Spirit’s gifts? Or whether we are attentive to the guidance of the Holy Spirit? Or whether the fruits of the Spirit (love, joy, peace, etc.) are growing in our lives? Most Christians that I know, including me, live in the presence and power of the Spirit, but only to some extent as we are limited by our fear of our sins or by our low expectations, not to mention our tendency to be distracted from God’s work in us. Pentecost offers a chance to confess our failure to live by the Spirit but at the same gives us an opportunity to ask the Lord to fill us afresh with His power of grace to do what He has called us for. On this day, let us pray for ourselves that we may continue to preach the message for Christ and that we may rely on the gift of the Holy Spirit to do so.

May God bless you.

*Fr. George*

## All are Sent

Fifty days after Easter Sunday we celebrate the fulfillment of all God's promises in the feast of Pentecost, a feast that has sometimes been called the birthday of the church. One last time we are reminded that we Christians have received the Holy Spirit, not for our own benefit, but to enable us to follow our Christian vocation.

The centerpiece of the scriptures for Pentecost is the account in Acts of the Apostles of the sending of the Holy Spirit to the disciples. The other readings for this Sunday help us to understand what it means to live out our Christian vocation. Paul's letter shows us the gifts and fruits that the Holy Spirit gives to us. John's Gospel reminds us that Jesus has sent all his disciples to share his forgiveness and peace, through the power of the Holy Spirit.

## May Crowning

The most popular devotion is praying of the rosary. The rosary is a powerful prayer that draws us closer to Mary who in turn brings us closer to her son Jesus Christ. Here at St. Catherine of Siena—St. Lucy Parish we will crown Mary at all masses Mother's Day weekend, but we will also say the rosary after the Sunday 8:30 AM mass each week during May. What better way to honor our Blessed Mother Mary than to say the rosary as a church family each weekend.

## MAY 27, 2018 – THE MOST HOLY TRINITY

**First Reading: Deuteronomy 4:32-34, 39-40**

The book of Deuteronomy contains a lengthy speech that Moses addressed to the people as they prepared to enter the Promised Land. This was a place where the people worshipped many gods and goddesses. Moses reminds them that there is only one God—the One who brought them out of Egypt.

**Second Reading: Romans 8:14-17**

Paul’s letter to the Romans is his most detailed and important theological work. In this portion of the letter, Paul stresses the importance of the Holy Spirit in the lives of Christians. Through the Spirit’s presence within us, we enjoy not only new life but also a new relationship with God, whom we can call by a new name.

### Untying the Knots – Polarization in America Saturday, June 2 ~ 9AM –12:30PM

Each of us has a story. Most of us also identify with a tribe and its story. Our personal and our tribal worldviews are often unexamined, taken for granted, and presumed to be fundamentally sound. But are they? Meanwhile we subject the worldview of 'The Other' to intense scrutiny and often withering critique. All of which begs the question: How do we regard 'The Other,' the Samaritans in our lives? In this interactive workshop, social worker and St. Mary's of Riverside parishioner Mike McGillicuddy will invite us to step outside our comfort zones, and explore the worldviews of others with curiosity and humility, while refraining from persuasion and judgement – illuminating the paths from polarization to healing and solidarity. Cost: \$30

### Coalition for Spiritual and Public Leadership (CSPL)

CSPL is offering a day-long community organizing and leadership training that is grounded in Catholic theological and spiritual traditions.

If you wish to develop your leadership potential and learn how to effectively build relationship so you and others can organize and improve your community this is your opportunity. The training will be held on Saturday **June 16th, 2018 from 8:30am to 3:00pm at McDonough Hall, Saint Giles Parish, 1101 Columbian Ave. Oak Park.**

If you are interested please contact John Barrett at [gabolga@aol.com](mailto:gabolga@aol.com) 708-848-4179.

### Pro-Life

**Babies In The Womb Are "Pre-Born"**

*Well chosen words have power.*

Consider how the pro-abortion advocates marketed and sold their endorsement of abortion. It is not called pro-murder. It is called pro-choice. They appealed to the culture's mentality; a mentality that we had been exhibiting since the 1960s. We live in a cafeteria culture. Thus, the Madison Avenue advertising gurus cleverly chose "pro-choice" in promoting death, but also in concealing the truth; pro-murder.

Therefore, with the knowledge and scientific understanding that life begins at fertilization, and that we are living human beings in the womb, why don't we all use the reference "preborn"? If we support life, and acknowledge that a child deserves our respect, support and protection while waiting comfortably in the womb until the birth process, why not give them the dignity they deserve and refer to them as preborn?

Let's proclaim life accurately. Because now that we know the truth, referring to them as anything less is not only unkind, it is also uninformed.

### Ambrose Appeal

To the Members of our Catholic Community:

Friend and dedicated public servant, Oak Park Chief of Police Anthony (Tony) Ambrose is in urgent need of a live liver donor. He is receiving care at Northwestern Memorial Hospital as he is in liver failure due to Nonalcoholic Steato-hepatitis (NASH). This condition is a very serious and silent disease with few symptoms, and has progressed so quickly in Tony there is irreversible damage. His only hope is receive a liver transplant from a live donor.

While his family searches for a donor match, we wanted to bring this situation to the attention of the community in the hope that someone will step forward and offer Tony the gift of life. If a donor is a match, they would donate part of their liver to Tony. The liver heals quickly and regrows to replace the donated piece.

Tony has served in law enforcement for the Village of Oak Park for over 30 years. His dedication to law enforcement has extended beyond OP into surrounding communities and has had a positive effect on every resident's quality of life. We hope to rally together to find a generous and giving soul to help Tony in his time of need.

Anyone interested in helping Tony should contact Northwestern's Liver Donor Hotline at 312-695-0340 on behalf of "Donation for Anthony Ambrose". The general criteria for donation include:

- Have compatible blood type to the recipient (Tony's blood type is O positive)
- Be 18-55 years old
- Be at a good weight
- No major medical or psychiatric illnesses
- Find great reward in saving a life
