Thoughts from Rev. George O. Omwando, Pastor

Dear Brothers and Sisters in Christ,

I hope you had a restful Fourth of July. Having been born in Kenya and now a citizen of this country, I must say that America has greatness in abundance. I have been to many other countries, as some of you have, and I have seen firsthand that even the poor in America have more than most people in some other countries. America has greatness in her freedoms and liberties. It used to be that everyone respected the rights of others, even if they disagreed with our thoughts. Today, however, society has very little tolerance for anyone else, and even less ability to be civil with others who disagree. Common sense just isn't that common in America anymore.

There are people in America today that are actually undermining the integrity of our country because they are not motivated by principle but rather by selfishness. They want notoriety, fortune, or power, and they don't really care how they get it. They try to revise history to say that our forefathers felt the same way. But that is simply not true. Those brave men who signed the Declaration of Independence had far more to lose than they ever stood to gain. These men and women paid the price for our freedoms because almost all of them lost everything they had for their principles. I cannot help but wonder just how many of us today are that committed to the principles we claim in our lives. The standards of being a Christian must not conform to the standards of this world. As followers of Christ, we must transform this world. The moment, we conform to the standards of this world, and then we are likely to neglect our Christian duty that calls us to love each other, to treat everyone the way we can expect to be treated.

We all know what happened to the people of Israel when they abandoned God. God removed the hedge of protection around His people and thus allowed Israel's neighbors to attack and persecute them. Over the course of many years, America has slowly turned away from God; as a result, this Country's leaders have removed prayer from the schools. Some towns will not let churches do door to door ministry and most recently as we have heard some judges are even claiming that the use of God's name in the Pledge of Allegiance is also unconstitutional. It might not be too much longer until we find the words, "In God We Trust" removed from our currency. We followers of Christ, we must stop complaining but stand fast with our core principles. We must support our faith and denounce the many views that contradict it. When we believe in Jesus Christ, then we believe in the one that sent him, From the Gospel, we learn that Jesus, regularly invited people to come to Him to meet their needs. The fatal mistake for the believer is to seek to bear life's load in a single collar. God never intended man and woman to carry his or burden alone.

Finally, we need to learn how to experience rest. If all we needed was physical rest, we can always take a nap. If we needed only emotional rest, we can always take a vacation. But where can we find spiritual rest? How can we obtain relief regarding the deepest issues of life at the deepest level of our hearts? The place to find a spiritual rest is in the Church. Therefore, it is necessary to find time especially this time when we are gradually opening the Church, to go and attend Mass. At Mass, we are able thank God for many things that he has done for us. Christ loves each one of us conditionally. We must rejoice for Christ's presence amongst us like the Israelites who were assured by the prophet Zechariah to rejoice because the Lord has sent his only Son to live with them. Christ comes to live us with us to show us the way to the father. May God continue to bless you.

— Fr. George

Share the Burden

“Come to me, all you who labor and are burdened, and I will give you rest” (Matthew 11:28).

These words of our Savior seem to be in stark contrast to the previous chapter from the same Gospel, when we were told that if we do not take up our crosses, we are not worthy of Christ. Connecting these two messages might help us on our faith journeys. Being a follower of Christ surely means that we must embrace the cross, in its mystery of both suffering and triumph. This is something that we need not do alone, for the burden is often too heavy for us to carry by ourselves. Who, then, do we turn to? We can turn to the Body of Christ—the community of disciples gathered for worship. When we find the burden too heavy, let us remember that we can share that burden with our Christian sisters and brothers, who can help bring us rest.

Faith and Fellowship – What We’re Missing

Faith & Fellowship is a group of volunteer catechists led by Connie Rakitan that play and pray with our partners. Partners are people in psychiatric nursing homes.

Every year Faith & Fellowship volunteer Catechists and Partners (most of whom live in psychiatric nursing homes) takes the summer off from our weekly meetings, and instead but we have special several activities that we all look forward to – and that have been . Activities missed due to Covid-19:

“Bowling and Burger King” for Partners, Catechists, and great teens from St. Francis High School in Wheaton.

“The Big Shebang” is the spring wrap up celebration. Fr George says am Mass and we enjoy a Corky’s catered potluck dinner in the gym afterwards.

“Young Neighbors” is a group of teenagers from across the country who are eager to lend a hand and socialize with our Partners. It is a week long event that brings (sometimes busses) the teens to St. Catherine St Lucy to help includes cleaning and reorganizing the F&F space; an afternoon of prayer and socializing; a McDonald’s excursion. During this week we also take a day to shopping at Aldi and cooking and prepare for a fun barbecue at the end of the week. One of the Partners, Jackie, always has fun teasing Fr. George, and I dare say he teases her too! It is such fun to work and laugh together.

“Bowling” usually later in the summer a group of partners and catechists gets together for an afternoon of bowling & pizza.

So what has F&F been up to? We Catechists meet via Zoom weekly to pray and plan for the future. While the nursing homes are in quarantine, We have found ways to keep in touch with our Partners (who lack Internet access) by sending cards, letters, and goodie bags, and via phone visits. While the nursing homes are in quarantine we want to let our partners know that we are thinking of and praying for them.

Faith & Fellowship is eager to resume regular activities. Maybe even a few extra to make up for our lost summer. Wash your hands & 6 feet!

Summer Stewardship

A gentle reminder that our stewardship of our parish does not go on vacation! If you go on vacation or your plans keep you from being present here on the weekends, please try to "make up" your regular offering another weekend.

We understand that every one is not ready to attend Mass directly in the Parish. But many families are inadvertently missing their weekly commitment to support our parish. So we recommend online giving as a safe, convenient, and easy way to make gifts — whether it's for your Sunday offering or a one-time gift such as for special collections. Once you sign up, you will be able to manage your giving preferences at any time, and you won't have to worry about writing a check or carrying cash to church each week. You can manage it anywhere you have an internet connection 24/7.

Give Central allows our parish to provide its parishioners a safe and convenient way to make regular, automatic electronic contributions and can also be used for special events and other collections.

You can go directly to our website: www.stcatherinestlucy.org to be able to find the link to *GiveCentral*

Praying for the Sick In Our Parish

Coletta Ali, Michael Ballew, Eloise Brown, Vivi De-Leon, Blanca Diaz, Gladys Evans, Dave Grayson, Phillip Jones, Paul Koko, Kathleen Kroker, Georgine Mullen, Marian McCurry, Jeff Nesbitt, Irma Monteverde, Sr. Maureen Sauer, Dolores Sungail, Annette Varga, and Bern Wheel.

The name of your close relative will remain on this list for four weeks. After that you will have to call us again to reinstate it into the list. If you wish to include a name of a sick member of your family here, please call Amanda at the rectory during office hours. Thank you.

1st & 2nd Readings for the Upcoming Sunday are offered. Their sole purpose is to help us all of us "receive" and "hear" the word of God.

JULY 12, 2020 -- 15TH SUNDAY IN ORDINARY TIME

First Reading: Isaiah 55: 10-11

Because the Israelites were exiled in the pagan land of Babylon, the assuring words that God had previously spoken to them now seemed empty. In today's passage, the prophet Isaiah will use an image from nature to describe how God's word always bears fruit and comes true no matter how unlikely it seems.

Second Reading: Romans 8: 18-23

As we continue reading from the eighth chapter of Paul's letter to the Romans, he tells us that sin affected not only human beings but also all creation, and the coming of Christ had a healing effect on both. It is evident that Paul is not pessimistic about this world.

Remember a Loved One

We have the 2020 Mass Book available with weekend and weekdays masses. Please call us to request your Masses. Remember your loved ones or any other special occasion. Mass intentions are only \$10.00.

Communion & Anointing of the Sick

Please call the Rectory at 708-386-8077 to let us know if you or a member of your family is in need of the sacrament of anointing of the sick or would like to have Holy Communion brought to your house or nursing home or both.

Bequests

PLEASE consider remembering our parish in your will or trust. We have been blessed in the past by the generosity of so many parishioners and I am hopeful this will continue into the future. —*Father George*

Prayer in a Time of Pandemic

O God of compassion, your people are anxious in this time of pandemic. Send your Holy Spirit among us to dispel our fears.

We cry out to you in our confusion; comfort us in our affliction. Grant our leaders wisdom to guide us. Strengthen and sustain those who are ill, and be with those who care for them.

Help us to travel this road in solidarity with our neighbors, with our eyes fixed on the salvation promised us through the death and Resurrection of your Son, who is Lord forever and ever.

Amen.

Food for Thought**Glory**

Glory's meaning is developed in the Bible; In Hebrew it described a person's substance, and their importance and integrity. Then it meant a visible manifestation of our God's steady presence and protection, as was the bright cloud of the Exodus.

The disciples saw Jesus, and knew His glory was shared with the Father who's invisible. They would see glory in His transfiguration, and in the fullness of people, as in children. The greatest showing of God's glory occurs with Christ's death on the cross: light conquers the darkness of sin, and love defeats death.

God gave us the glory of earth...our common home. His glory shines in our world, where suffering intersects hope, and justice and mercy meet. Our Constitution sets the laws of freedom; Then slavery abolished, and Civil Rights confirmed; The glory of the Declaration of Independence. All are worth fighting for, every glorious day.
