Fr. Carl's Corner

For the past three weeks, I have shared information about being good stewards, about the need for your help to cover our operating expenses and to announce that, this weekend, we will pray together in support of our Offertory Appeal.

I asked that each of you reflect on your blessings this past week – but we should really do that on an ongoing basis. When we look carefully at our God-given gifts, it's hard to come up with an appropriate financial commitment as a measure of gratitude. God will never be outdone in His generosity, but that doesn't mean that we shouldn't offer our very best in thanksgiving. It's very humbling when we think about what the important parts of our life are "worth." Home, spouse, children, health, career, friendships...the list goes on and on. These things are priceless.

Capacity is different for everyone. What a genuine sacrifice may be for one may not even be felt by someone else. There are many in our parish who sacrifice for the sake of our faith community. They help make our many programs and ministries possible. Their gifts support not only our day-to-day operating expenses but also our school, religious education, youth ministry. Without sufficient funding, could we celebrate together at Mass, weddings, baptisms, first communions? Could we gather to say goodbye at funerals? Could we enjoy the children's musical and sporting events? The financial commitment of our members covers so much more than the lights and the heat. A quick look at the ministries section on the St. Catherine-St. Lucy and St. Giles Parish website is a clear reminder that we are doing God's work in so many different ways.

We have much to do to continue the vision and mission of our faith community. Each of you will soon receive a letter of invitation, and I respectfully ask that you respond with an open heart and generous spirit.

God bless you in advance for your support and love.

The naming surveys are in, now what? All the surveys have been forwarded to the RMC Board for tallying. The name with the highest number of votes will be presented to the Cardinal and the Presbyteral Council at the meeting on November 4 along with the name that has the second highest vote total. The Cardinal and the Council will then vote to either approve or object to the first name presented by a show of hands. If the first name does not meet approval, the second name will be voted on. Once the name is approved, I will receive word and then be able to share and celebrate the newly chosen name for our joined community. Keep in mind that our building names never change, always St. Giles campus or St. Catherine/St. Lucy campus. The new name will identify our newly unified community of God's beloved.

Some asked how many names were on the original list. I do not really know. However, the list presented to us had about 23 names to look over. I and the Unification Committee went through them and decided on six names. We chose three saints and three alternate names to cover the spectrum of suggestions. How did each sound; did it roll off the tongue; was it identifiable, was it relatable in some way. These names were then presented to you for your vote. This was the procedure followed by parishes before us and the path we choose to follow as well. I trust that the Holy Spirit has guided us and we will arrive at a new name to help identify who we are becoming.

Have a safe and good week ahead.
With you a Christian. For you a priest.

Fr. Carl

May They Rest in Peace

November, the Month of Remembrance

During November, we bring pictures of our beloved who have died and display them around our church.

- At St Catherine of Siena-St. Lucy Church, you are invited to bring a photo of your loved one and place it on the window ledges around the church during the month of November.

- At St. Giles Church, the photos will be displayed on the Mary and Joseph altars. We invite you to bring pictures of your deceased loved ones that you

would like to include in the display **to church** when you come for either Sunday or weekday Mass. Boxes will be on the back pew in the gathering space for you to place the pictures, and they will then be arranged on the Mary and Joseph altars by our staff. **All photos must be received by October 24 to be included in the display.** Please write your name and phone number on the back of your pictures so that they can be safely returned to you at the end of November.

- At the Family Mass Community celebrations, you may place the photos on the November Shrine as you enter the gym.

The Feast of All Souls

Our parish will have two opportunities to celebrate a Mass of Remembrance:

Wednesday, November 2, at 7:00 pm at St. Catherine of Siena-St. Lucy Church, 38 N. Austin Blvd. in Oak Park.

Saturday, November 5 at 9:30 am at St. Giles Church, 1045 Columbian Avenue in Oak Park.

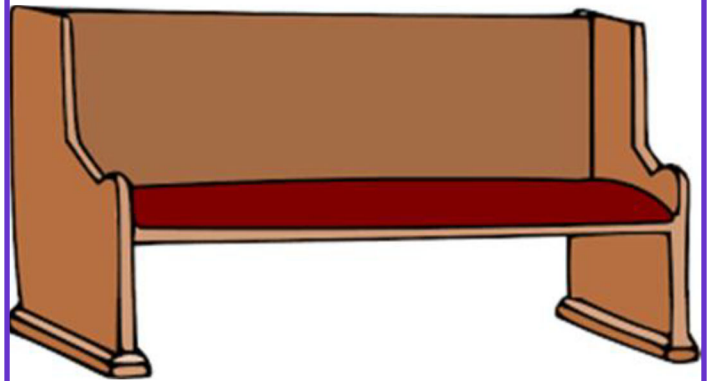

These Masses are an occasion to honor those connected to the parish who have died since November of last year. All are invited, especially those who have lost a loved one who was buried from our parish or who was prayed for at our weekend Masses throughout the previous year. We will read the list of names of the departed and light candles in their memory.

We plan to offer a livestream of these Masses, so that all who wish to participate can do so. You also may choose to light a candle at home during the reading of the names of the deceased.

If someone close to you died and was buried elsewhere, or you wish to include their name in the list read at one of the offered Masses of Remembrance, please email the information to stgiles@stgilesparish.org, or call the Parish Center office at 708-383-3430.

Details regarding livestreaming will be available soon on the home page of our website: stgilesparish.org.

Parish Life

With Gratitude and Joy from Connie Rakitan

To receive the Bishop Quarter Award for Vicariate IV was an honor to not only me but to our community. I am grateful to Fr. Carl for nominating me, to Bishop Birmingham for choosing me, and to this parish where lay people have the opportunity to give meaningful service. During the presentation ceremony, I felt the presence of so many people who over the years have been and still are such a beautiful part of my life in the Church. My heart is filled with warm joy when I realize that this award is, in fact, for all of us. Thank you, and God bless.

Lifelong Formation

Faith & Fellowship

"You Can't Always Get What You Want"

Mick Jagger might have had Faith & Fellowship in mind when he sang those words – Catechists volunteer hoping for, maybe even expecting, Kumbaya moments of happy-happy-joy-joy, but there are also disappointments. Arriving for pick-up to find that Greg, one of the most faithful Partners, was nowhere to be seen and clearly did not want to come. Spending an evening maintaining peace between two Partners who do not like each other. Poor turn-out when Staff at the residential facility didn't make the necessary arrangements for the Partners to go out. Being told by Terry that she didn't want to come to our session because she'd rather play Bingo at the facility, and maybe win a dollar. It's frustrating to be stymied when we're just trying to do good. Mick Jagger comes to the rescue.

A Call for SPRED Catechists

SPRED(Special Religious Development) is a ministry of the Archdiocese of Chicago whose purpose is two-fold: the inclusion of the developmentally disabled into the liturgical and community faith life of the parish and the formation of a small faith community where both special friends and their catechists nurture their faith.

The Oak Park area needs more SPRED communities! In order to provide opportunities for special needs children, young people, and adults, we need adults willing to be catechists.

"I have been a catechist in the SPRED program at St. Giles since 2013, when the program began. Since that time, I have come to know and love our special friends, their families and the other catechists in our program. We share our faith with each other through activities, songs and, of course, prayer. I must admit I have learned so much more from our friends than I have taught them, and I am honored to be a member of this wonderful community." --Kathy Ritten

Want to learn more about SPRED? Come to an information meeting on **Monday, November 7** at 7:00 pm in the McDonough Hall conference room on the St. Giles Campus (corner of Greenfield and Columbian) or contact Marci Madary at mmadary@stgilesparish.org or 708-383-3430 ext. 404.

Religious Education Reflections

Last Sunday, October 16, in Family Religious Education, we talked about the importance and power of symbols, including symbols for Jesus, the Christ. We talked specifically about the cross and crucifix, considering what they make us think of and how they make us feel. In our groups, the parents reflected on the Paschal Mystery and redemptive possibility found in suffering.

The first, second and third grader children started with the Gospel, The Persistent Widow, which let them in to talk about prayer: five-finger prayers. The children filled out a hand picture listing people they would pray for in each category. They also read the book *Leo's Gift*. Which led us to discuss sharing their gifts with others. Finally they made a fridge magnet, 'God never leaves me,' to show that God is always with us.

The fourth and fifth grade students talked about Jesus' Law of Love and what that looks like and how we can live out the Law of Love. They also played a game demonstrating our examples of how we live out this law. Finally, the kids made Vision Boards to use as inspiration.

The sixth graders read Matthew 12:1-7 and discussed what does it mean that Jesus is our Lord and Savior. They used "barbed wire" to exemplify how our sins keep us apart from each other and from God and how Jesus is the one who helps us to cut these wires. The students took 10 minutes to individually write what wires we need to be cut off and ask Jesus for help.

Intercultural Immigrant Ministry – a joint ministry of the Catholic Parishes of Oak Park.

The Romero Mora family are now settled into their new apartment in Oak Park and the children have started school at William Beye School and OPRF High School. This week they were welcomed at the Family Mass by Father Carl and were able to meet many of those attending.

Because they will not receive their work documents until six months after they file their asylum application, there is the need for ongoing support for them. We could particularly use gift cards at Jewel or Walmart. Please drop them off at the St. Giles Parish Center or in the donation baskets at Mass, in an envelope indicating that they are for the migrant family.

There has now been a fund started at our parish. Please make out a check to St. Giles Parish and note that it is for the St. Giles Refugee Fund in the memo line.

Volunteers are needed to help the family settle into our community, especially those with any Spanish speaking skills. If you are interested in helping them adjust, please email us at immigrantministry@gmail.com or email Margie Rudnik at margaretrudnik@gmail.com.

Other needs are always emerging, and the flow of migrants from the border into the city of Chicago is ever increasing. If you are interested in other ways of helping, please contact us at the above email addresses.

Food For Thought No Time for Quarrels

Let us be careful: Both the 'progressivism' that lines up behind the world, and the 'traditionalism' that longs for a bygone world, are not evidence of love, but of infidelity." (Pope Francis)

The 60th anniversary of Vatican II was celebrated in Rome on October 13th. The three-year period launched landmark reforms in Church relationships with the world around it, and the Church's own liturgy and practices, by pleading for the Church to overcome polarization, and preserve our communion.

Inaugurated by Pope John XXIII, Vatican II responded to the question "Do you love me?" posed by Christ to his disciples. "To rekindle her love for the Lord, the Church... devoted a Council to examine herself, and reflect on her nature and mission." (Pope Francis)

She saw herself once more as a mystery of grace, generated by love; she saw herself anew as the people of God, the Body of Christ, the living temple of the Holy Spirit. Yet, while the council examined Catholic doctrine, revisited its relationship with other Christian communities and religions, revised Catholic liturgy to allow for the vernacular, and reconfigured structures to allow for greater participation by the laity, in the 60 years that have followed, Vatican II has been a flashpoint among various ecclesial circles.

Changes can cause deep divisions; In the wake of the council, Christians often preferred choosing sides, not seeing they were breaking their Mother's Heart! How many times did they choose progressive or conservative, rather than brother and sister? We can only be the Shepherd's flock if we are together as one. And so the council's work, and the passing years radically altered the Church's relationship with the rest of the world, and realigned itself with a more open and tolerant posture. Francis warned about temptations of "worldliness."

He spoke of "Pelagian selfishness, that puts our own tastes and plans above the love that pleases. God, the simple, humble, faithful love that Jesus asked of Peter." Francis renewed his call by reminding the many clergy "you are not here to shepherd yourselves, but others, with love—the poor and the outcast." Pope John had put it: "A Church meant for all, and especially the poor." A Church that loves Jesus has no time for quarrels, gossip and disputes. We must be free from being critical, intolerant, harsh and angry. Paul teaches that for those who love, do everything without murmuring.
